Store	Received	Sold	Quantity	Committed	Reorder Point	Restock Level
Store 1		6/19/2014	1	0	0	0
Store 2			0	0	0	0
Store 3	9/4/2013		12	0	0	0

The HQ Inventory Aging Report columns also include Snap **On-Hand** and **Snap Cost**. This information should match the Snapshot Store Quantity List Report, and the Snapshot Store Cost List Report. Snapshot values, including **Last Received** and **Last Sold** are uploaded to the store and do not always match the HQ Master Quantity values. Use a Worksheet Style: 501 followed by an Item Wizard Task: 190 to manage discrepancies.
